Congratulations to the 2023 State Champions

### From the president of FDC

Congratulations to our Cox Falcons Varsity Baseball Team in bringing home the 2023 Class 5 Baseball Virginia State Championship.

The mission and goal for the season was derived by Coach Ittner prior to the season. The theme was titled "20 - 6" with graphics that included these numbers, an image of Virginia, and most importantly a brilliant star pinned on Northern Virginia (the host site for the State tournament). The vision and team goal for 2023 was to win enough games during the 20-game regular season to earn an invitation to post season play, then win six (6) consecutive games to bring home another State Championship, i.e., "20-6". **Mission complete, and goal accomplished!** The success of the baseball program is earned, and attributable to the hard work, dedication, and support of our coaching staff, players, parents and families, sponsors, alumni, and our Falcon Dugout Club Board Members. In speaking on behalf of all the FDC Board Members, we congratulate the team and thank everyone for supporting the program.

Lastly, best wishes to our graduating seniors who are moving on to college to continue their educations and pursue degrees, or continue playing baseball, or to begin careers. We are confident they are well prepared and will be successful in all their endeavors.
