- Facility day will take place on March 10th from 1pm-4pm @ Tilley Field.

Signing Day 2024

From the president of FDC

The first shouts of “Play Ball!” have already echoed across Major League Baseball Spring Training and collegiate ball fields across the Nation. By the time this newsletter reaches you, I am hoping that you have already experienced the sounds of joyous cheers, the smells of hot dogs on the grill, and the comfort of sometimes heavy coats and warm blankets that remind us that the Spring baseball season is upon us! And now that the 2024 season is upon us, expectations are high as our Falcons will be defending their 2023 State Championship. I have complete confidence that our coaching staff has our players well prepared and that we will be competing for a “repeat” title in 2024! Go Falcons!

In making my “first pitch” this season, I would like to be sure everyone attends our “First Pitch Dinner” on Saturday, March 9th and “Facility Day” on Sunday, March 10th. These events have become a tradition, and we look forward to everyone attending both.

Lastly, in my last “at-bat” in this newsletter, I want to thank Coach Ittner, the coaching staff, and all our Board Members for all the planning and effort that has gone into the preparations for the start of the season and especially for our 2024 Spring Break Trip to Charleston, SC. The value earned from the team building and the high-level of competition from this trip is priceless and a top priority of the program each year. In speaking from experience, this was the most memorable event for me as a parent of a former player. I have heard repeatedly over the years from our seniors expressing the same sentiment regarding their Spring Trip experiences. Again, thanks to our FDC Board and coaches!

Go Falcons!

Kevin Long
