From the president of FDC

Greetings Falcon Baseball friends and families! In the spirit of the season, we give thanks to all those who contributed, donated, and sponsored, and attended our Alumni Weekend events! I am proud to report that our efforts raised over \$15,000 dollars for our baseball program. The golf tournament, auctions, dinner, and Green vs Gold game were all hits! We struck out on the alumni game on a late school system decision (bad curveball), but we will go back to bat with the school system and hopefully find a way to bring this great tradition back next year!

On another note, our netting replacement project along the first and third baselines is nearing completion and will make our spectator experience and the viewing of our games this spring even better! Again, thanks to all the donors and sponsors that contributed, making this facility upgrade project achievable.

Lastly, I would like to congratulate Matt Ittner and Leslie on their newborn baby girl Annie! May God bless this newborn baby "Annie", Matt and Leslie, and the entire family.

As President of the Falcon Dugout Club, and in speaking on behalf of all the Board Members and Officers, along with all our coaches, we wish everyone a joyous and happiness filled holiday season! And remember Spring training is right around the corner!

Kevin Long

President Falcon Dugout Club

The Falcon Dugout Club wishes everyone a wonderful holiday and a Happy New Year.
